## **Customer Support During COVID-19 - Update**

***Good Morning to all our valued clients & partners***

***Proline is responsible for providing products and services to essential industries in our field such as medical, food and central government. With this responsibility we will have emergency staff on site during the lock-down doing all they can to dispatch any orders received via phone, email or website.***

***While all couriers are running, we would greatly appreciate your understanding if deliveries don't run exactly to schedule as we will need to prioritize outgoing orders.***

***We will be taking the utmost precaution at this time to ensure our staff, customers and suppliers are kept healthy and ensure the contagion is arrested***

***For any orders or inquiries please***

***Phone; 0800 699 353***

***Email; [sales@prolinewelding.com](mailto:sales@prolinewelding.com) / [admin@prolinewelding.com](mailto:admin@prolinewelding.com)***

***Website; [weldingsupplies.co.nz](http://weldingsupplies.co.nz)***

***All these communications will be manned both operating remotely and onsite by staff.***

***Thank-you for your business and we trust you are all kept safe over the next 4 weeks and beyond***

***Kind Regards***

***The Team at Proline Welding Supplies***
